# The Presidential Clubs

Sponsored by The Lake County Republican Party  
Dale H. Fellows, Chairman

## ★THE PRESIDENTIAL CLUBS ★

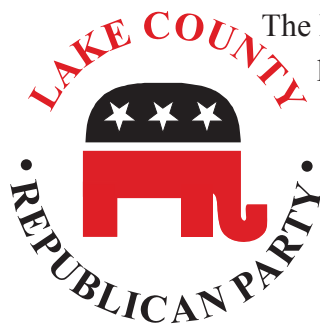

The Presidential Clubs provide the fuel that has enabled our Party to build, to grow and to elect outstanding office holders that make our community a great place to live.

**From the White House to the Courthouse, the Lake County Republican Party has made a difference.** Our success has been for four primary reasons:

- Outstanding elected officials who set a high standard of excellence in public service.
- Quality candidates who work hard every day and understand the issues of our community.
- Grassroots supporters that never quit.
- Financial supporters who make the necessary commitment to our Party.

We can all be proud of the many accomplishments we have enjoyed because it has truly been a “TEAM” effort.

Now it’s time to keep our “TEAM” going. There will be many challenges ahead, but with these challenges come opportunities and we must be prepared!

The Presidential Clubs program calls on you to **make a commitment of your largest possible donation** and receive many fine benefits in return.

Please take a moment to consider the various levels available in:
